

How to Acquire Books in Total Track

To obtain a copy of electronic books for any classes a student profile needs to be created in Total Track.

If you have taken night classes before a student profile may have been set up.

If not, to create a student profile email the following to:

smulhearn@smw73.org or jatc@smw73.org

Name

Phone number

Email Address

IA (member) #

Company you are working for.

Once we receive this information a student profile will be set up and you will be able to access the books thru eReader in Total Track.
